

2. Seminar / Workshop-

1. National Seminar:

The National Bank for Agriculture and Rural Development (NABARD) and the Indian Council of Social Science Research (ICSSR) sponsored a national seminar titled "*Sustainable Development and Environment: A Way of Self-sufficiency*," hosted by the Department of Geography, Dinhata College, Cooch Behar. The seminar aimed to bring together experts, academics, and students to discuss sustainable development and environmental issues.

Date: 15-16th March 2024

Venue: Seminar Hall, Dinhata College, Cooch Behar, West Bengal, Pin-736135.

2. 7 Days National Level Workshop-

7-day National Level Capacity Building Workshop on "QGIS & Computer Application in Advance Geography," organized by the Department of Geography, Dinhata College, commenced on October 3, 2023, with great enthusiasm. The program began at 11:00 AM with the welcoming of dignitaries to the dais, a floral reception, and an inaugural song. The ceremonial lighting of the lamp followed, symbolizing the start of the event. Dr. Abdul Awal, Principal of Dinhata College, delivered the welcome address, expressing his gratitude to the participants and resource persons for their contribution to the workshop. The inaugural address was given by Hon'ble Udayan Guha, Minister of North Bengal Development, who emphasized the importance of integrating technology like QGIS into geographical studies. This was followed by a special address from Dr. Md. Ferdosh Islam, IQAC Co-Ordinator of Dinhata College. The event also featured notable

guests, including Dr. Abdul Kader Safily, Registrar of Cooch Behar Panchanan Barma University, who shared his insights on the role of geography in sustainable development. Dr. Bappa Sarkar, the workshop convener, presented a concept note, outlining the objectives and relevance of the workshop. The inaugural session concluded with a special lecture on the "Computer Application in Advanced Geography" by Dr. Nazrul Islam, HoD, Department of Geography, Cooch Behar Panchanan Barma University, followed by a lunch break. The session set the tone for a week of intensive learning and collaboration.

3. Wall Magazine-

Since 2015, the Department of Geography at Dinhata College has published a Wall Magazine annually, showcasing the academic and creative talents of its students. This initiative, spearheaded by the department, provides a platform for students to explore and express their knowledge on a variety of topics related to geography, local landforms, environmental issues, and their experiences from field visits. Each year, the students actively contribute articles, maps, and illustrations, making the magazine an engaging blend of theoretical and practical insights. The Wall Magazine has become a tradition in the department, fostering a culture of learning, collaboration, and creativity. It reflects the students' growing understanding of geographical concepts and their application to real-world scenarios. The magazine also serves as an interactive learning tool, encouraging discussions among students, faculty, and visitors. Through this publication, the Department of Geography has successfully nurtured a spirit of intellectual curiosity and academic excellence over the years.
